Supper Break: 6:00-6:25

6. New Business
a. Lagoon

The Northern District Planner provided background information on current lagoon logistics in the Lac La Ronge area and future options for lagoon servicing for District residents.

MOTION 5/2019: Direct the Northern District Planner to research and present options for future lagoon servicing for the District residents in the Lac La Ronge area.

Made by: Jim Stockdale
Seconded by: Ellen Paquin

/CARRIED

ANPC member Michael Bird left the meeting for other commitments after this agenda item.

7. Public Meeting re: Lac La Ronge Regional Waste Management Corporation Discretionary Use Application

The Public Meeting was opened at 7:01.

The Development Officer reviewed the discretionary use application from the Lac La Ronge Regional Waste Management for a regional landfill.

Public comments were heard from property owners near the proposed regional landfill. Issues raised included:

- Not being consulted earlier in the planning process.
- Landfill access road location with respect to noise, safety and property value.
- Landfill gate location with respect to illegal dumping.

Public Meeting closed at 7:50.

MOTION 6/2019: That the ANPC request additional information from regional landfill partners as per section 2.6 of the LLRPA Zoning Bylaw regarding the Lac La Ronge Regional Waste Management Corporation's Discretionary Use application.

Made by: Glen Watchel

Seconded by: Jim Stockdale

/CARRIED

Action item: if requested by the Browns (property owners across from the proposed landfill entrance), the Northern District Planner will help in adding the Browns as a delegation on the agenda of the next Lac La Regional Waste Corporation meeting. The Northern District Planner will also filter their concerns through the subdivision application process, as is practical.

8. New Business cont.

a. Rezoning Proposal at McAuley Point

- a. In response to a question from the property owner at McAuley Point regarding animal keeping, discussion ensued regarding, eg. intensity, type of animals, health and environmental regulations, potential land use conflicts, and zoning options.

Action item: Development Officer will move forward on providing the ANPC with more detailed animal keeping options and work with the property owner to submit a rezoning application for consideration.

b. Criminal records checks for ANPC members

- b. The Northern District Planner advised ANPC members that Criminal Record Checks will be have to be completed sometime in the near future as part of new Government of Saskatchewan policies for government boards.

5c Continued: Nemeiben Road and Parking Lot

MOTION 7/2019: Table the Nemeiben Road and parking lot development application agenda item until the next ANPC meeting (tentatively) scheduled for May 28, 2019. The Discretionary Use application from the Lac La Ronge Regional Waste Management Corporation will also be added to the agenda for this meeting.
