1 INTRODUCTION

Under the authority granted by The Planning and Development Act, 2007 (the PDA), the Council of the Town of Creighton, in the Province of Saskatchewan, in open meeting hereby enacts as follows:

1.1 Title

This Bylaw shall be known and may be cited as the "Town of Creighton Zoning Bylaw".

1.2 Purpose

The purpose of this Bylaw is to regulate and control or prohibit the use and development of land and buildings within the Town of Creighton and assist in implementing The Official Community Plan. This Bylaw provides a legal way of managing land use and future development and protects landowners from conflicting and possibly dangerous land uses in the Town.

1.3 Scope

Development shall be permitted within the limits of the Town of Creighton only when in conformity with the provisions of this Bylaw, the Town of Creighton Official Community Plan and the PDA.

1.4 Severability

If any part of this Bylaw, including anything shown on the Zoning District Map, is declared to be invalid for any reason, by an authority of competent jurisdiction, the validity of the Bylaw as a whole, or any other part, section or provision of this Bylaw will not be affected.

1.5 Other Legislative and Bylaw Requirements

Nothing in this Bylaw affects the duty or obligation of a person to obtain a Development Permit as required by this Bylaw, or to obtain any other permit, license or other authorization required by any Bylaw, or Act or any regulation pursuant to those Acts.

3.1 Development Officer

1) The Council shall appoint a Development Officer who will be responsible for the administration of this Bylaw.

2) The Development Officer shall perform such duties that are specific in this Bylaw, including among other things:

   a) advise and assist the Council in regard to the planning of orderly and economical development within the Town, and shall seek to ensure that any proposed development is in accordance with the purpose, scope or intent of this Bylaw and be consistent with the Official Community Plan and adopted Town policies;
   b) receive and process all applications for Development Permits;
   c) keep a register of all applications for development including the decisions thereon and the reasons therefore;
   d) keep and maintain the development records and a copy of this Bylaw for the inspection of the public during all regular hours; and
   e) may refer any Development Permit application or any other development matter to the Town’s Council for its review, support or advice.

3.2 Application for a Development Permit

1) Every person shall obtain a Development Permit before commencing any development within the Town, except as listed in Section 3.3. Development Permits cannot be issued in contravention of any of the provision of this Bylaw subject to Sections 213 to 227 of the PDA.

2) A building permit shall not be issued unless a Development Permit, where required has been issued.

3) The application for a Development Permit, minor variance, accessory use or sign shall be made, to the Development Officer, in the “Form A” as adopted by resolution of Council.
4) The application shall be accompanied by the applicable fees, two copies of a layout or site plan showing dimensions and locations of existing and proposed buildings and structures as well as lot lines.

5) Where no new construction is proposed the applicant shall supply a written description of the proposal in place of such plans.

6) Where the application is for a discretionary use the applicant shall, in addition, provide a written description of the proposed development, describing the intended use and operations, structures to be located on the site, required municipal services, and any other information that the Council determines is necessary to fully review the proposed development.

3.3 Development Not Requiring a Development Permit

1) The following developments shall not require a Development Permit provided that the proposed development conforms with all requirements of this Bylaw:
   a) public utilities; any operation for the purpose of inspecting, repairing, or renewing sewers, water lines, cables, pipes, wires, tracks or similar public works as required by a public utility, and the installation of service connections to property in the Town (excluding the installation of new transmission lines);
   b) municipal facilities; any facility installed and operated by the Town;
   c) accessory buildings with a floor area of 9.3 m² (100.1 ft²) or less; and
   d) maintenance and repairs that do not include any structural alterations.

3.4 Review of Applications

1) The Development Officer is responsible for reviewing all applications to ensure that the proposed development complies with all applicable regulations and provisions of this Bylaw and the policies contained in the Official Community Plan.

2) For a discretionary use the Development Officer shall prepare a report for Council on the proposal respecting the criteria for consideration of that discretionary use and submit the application to Council for decision.
3) The Development Officer may submit any application to Council for a decision on the interpretation of this Bylaw, or on special conditions provided in this Bylaw, and shall inform the applicant of this action. Council or the Development Officer may require the applicant to provide such further information as may be required to make a decision.

3.5 Discretionary Use Applications

1) The application will be reviewed by the Development Officer for conformance with the Official Community Plan, this Zoning Bylaw and any other applicable policy and regulation, and will refer the application, along with a written report documenting the results of the review, to Council, within 30 days of having received the application.

2) Council will review the application and the Development Officer’s report and may request comments or information from other government agencies to assist in Council’s review of the application, where appropriate.

3) When Council has received requested comments or information from other agencies, the Development Officer shall set a date, time and location of the Council meeting at which the application will be considered. The date shall be no longer then 45 days from when Council received the application.

4) The Development Officer shall advertise the proposed discretionary use by:

   a) mailing a copy of a notice of the application to the assessed owner of each property within 75 m (246.1 ft) of the proposal, at least 15 days prior to the date of the meeting;
   b) preparing an on-site notification poster, which shall be placed on the site by the applicant and must remain on site until the application is considered by Council; and
   c) publishing a notice in a local newspaper for 2 consecutive weeks and at least 7 days prior to the date of the meeting, for all Zoning Districts.

5) The notices described above shall describe:

   a) the use applied for;
   b) the location of the use; and
   c) specify the date, time and location of the Council meeting at which the application will be considered.
3.6 Discretionary Use Evaluation Criteria

Council will apply the following general criteria in the assessment of the suitability of an application for a discretionary use or discretionary form of development:

1) Compliance with land use and municipal policies
   a) the proposal must be in conformance with all relevant sections of the *Official Community Plan* and this Bylaw.

2) Site layout and density
   a) the scale and intensity of the proposed use must be relatively consistent with uses allowed in the Zoning District and with any existing uses and developments in the vicinity of the proposal;
   b) the size and location of buildings and improvements is to comply with the regulations set out in the Zoning District;
   c) any outside storage areas will be appropriately buffered and screened from adjoining land uses;
   d) the retention or provision of vegetation and landscaping to enhance the appearance of the site; and
   e) signs will comply with sign requirements for the Zoning District and proposed use.

3) Municipal servicing
   a) the use must be capable of being serviced with existing municipal infrastructure, including:
      i. Water in terms of consumption and demand;
      ii. Sewer in terms of volume generated;
      iii. Storm drainage in terms of volume and where directed;
      iv. Solid waste in terms of volume and types created;
      v. Utilities;
      vi. Schools; and
      vii. Roadways.
4) Traffic generation
   a) the volume and vehicle type of traffic generated by the use will not vary from the existing traffic type and volume in the area;
   b) parking requirements for the use will not vary significantly from other uses in the vicinity; and
   c) access to and from the site must be located appropriately to avoid any traffic hazards.

5) Environmental and Public Safety
   a) types and volumes of goods and materials to be kept or stored on site must not pose any danger to the surrounding properties;
   b) emissions from the use in terms of noise, dust, odour, light will not adversely effect the environment or adjoining land uses;
   c) storm water runoff from the site will not adversely affect surface or ground water;
   d) fire protection requirements will not be significantly different than that required for surrounding uses;
   e) fuel wood or timber should be salvaged where appropriate; and
   f) preservation of wildlife habitat and wetlands.

6) Consultations
   a) any comments received from the public relative to the proposal; and
   b) evidence of any applicable permit or approvals from the Ministries of Highways and Infrastructure, Environment, or Health.

7) Impact mitigation
   a) if the proposed use will create any negative effects in relation to the above criteria, consideration will be given to any measures that may mitigate those effects in making a decision on the proposal.
3.7     Issue of Permits

1) Upon completion of the review of an application for development, the Development Officer shall:

a) for a permitted use:
   i. issue a Development Permit where the application conforms with this Bylaw, incorporating any special regulations, performance standards or development standards authorized by this Bylaw; or
   ii. issue a refusal, where the application does not comply with a provision or regulation of this Bylaw, stating the reason for refusal.

b) for a discretionary use:
   i. prepare a report on the proposal respecting the criteria for consideration of that discretionary use and submit the application to the Council for recommendation and a decision. The Council shall make a decision on a discretionary use that approves or refuses the discretionary use on that site and that instructs the Development Officer to:
      a. issue a Development Permit incorporating any specific development standards set forth by the Council, in accordance with the provisions of this Bylaw, and advising the applicant of any right of appeal that the applicant may have; or
      b. issue a notice of refusal, stating the reasons for the refusal.
   ii. issue a refusal, where the application is for a use that is not provided for in the District in which the property is located.

2) The notice of decision shall be issued to the applicant in the “Form B” as adopted by resolution of Council.
3.8 Terms and Conditions for Discretionary Use Approvals

1) Discretionary uses, discretionary forms of development and associated accessory uses are subject to the development standards and applicable provisions of the Zoning District in which they are located. In approving a discretionary use application, Council may prescribe specific development standards to minimize land use conflict with respect to:

a) site drainage of storm water;
b) the location of buildings with respect to buildings on adjacent property;
c) access to number and location of parking and loading facilities including adequate vehicular access;
d) control of noise, glare, dust and odour; and

e) any other condition as set out in the Zoning District.

3.9 Validity of a Development Permit

1) An approval shall be deemed to be invalid if:

a) the proposed use has not commenced within the 12 month period; or
b) the proposed building is not started within 12 months, or completed within 24 months.

2) In case of a discretionary use the following also applies in deeming an approval invalid:

a) the proposed use ceases and is replaced by another;
b) the proposed use ceases for a 12 month period; or

c) the use is not started with 12 months of completion of the building.

3) A Development Permit extension may be granted for an additional 12 month period by the Development Officer.

4) Where Council has approved a discretionary use for a limited time as provided in this Bylaw, and that time has expired, that use of land or use of buildings on that property shall cease until such time as the Council gives a new discretionary use approval and a new Development Permit is issued.
5) The Council is deemed to have granted discretionary approval to a use, or specific intensity of use, that becomes discretionary on a site as a result of the adoption or amendment of this Bylaw, as of the date that this Bylaw or amendment comes into effect.

3.10 Enforcement of Development Permit

1) Where development is not in accordance with the development permit issued for that development, including any conditions or standards specified in that permit, the development is deemed to be in violation of this Bylaw and is subject to the provisions of Section 3.15.

3.11 Amending the Zoning Bylaw

1) Any person seeking to amend this Zoning Bylaw may submit an application for such amendment and upon payment of the required fee, the Development Officer shall refer such application to Council for consideration.

3.12 Development Appeals Board

1) Council shall appoint a Development Appeals Board in accordance with the provisions of Sections 49(j) and 213 to 227 of the PDA.

2) A person who wishes to appeal to the Development Appeals Board shall, within 30 days of the date of issuance of or refusal to issue a Development Permit, file a written notice of intention to appeal, and submit the appeal fee, with the secretary of the Development Appeals Board.

3) The decision, concerning either existing or proposed development, may be appealed by any person affected by:
   a) the approval of Development Permit where it is alleged the Development Officer misapplied the Zoning Bylaw in the approving the proposal;
   b) the refusal of the Development Officer to issue a Development Permit because the proposal contravenes the Zoning Bylaw;
   c) Councils approval of a discretionary use (or form of development) with development standards or conditions (only standards or conditions may be appealed); or
d) the refusal of, approval with terms and conditions of, or revocation of an approval to, an application of a minor variance.

4) An appeal may not be made to a Development Appeals Board where:

   a) a refusal is issued because a proposal contravenes the Zoning Bylaw land use provisions;
   b) a discretionary use application is refused; or
   c) Council refuses to amend a Zoning Bylaw or rezone land.

3.13 Minor Variances to the Zoning Bylaw

1) The Development Officer may grant a variance of up to 10% of any yard requirement or minimum required distances between buildings for a use that is a permitted use as specified in this Bylaw. All such variances shall be subject to the conditions and granted in accordance with the procedures contained in Section 60 of the PDA.

2) The Development Officer shall maintain a registry of the location and all relevant details of the granting of such variances.

3.14 Fees

1) Amendment of the Zoning Bylaw:

   a) where a person requests Council to amend the Zoning Bylaw, that person shall pay to the municipality a fee equal to the costs associated with the public advertisement of the proposed amendment and the costs associated with providing direct written notice to owners of land that is the subject of the proposed amendment.

2) Advertisement of a Discretionary Use Application:

   a) the applicant shall pay to the municipality a fee equal to the costs associated with processing and advertising the notice required by Section 3.5(4).
3) Application Fees:

   a) an applicant for a Development Permit shall pay an application fee in accordance with the following:

      i. permitted principal use: $100.00  
      ii. permitted accessory use: $75.00  
      iii. discretionary principal use: $125.00  
      iv. discretionary accessory use: $100.00  
      v. sign permit: $25.00  
      vi. minor variance: $45.00  
      vii. home occupation: $50.00  
      viii. bed and breakfast: $50.00  
      ix. development appeal fee: up to $50.00 as specified by the Development Appeals Board

3.15 Offences and Penalties

1) Pursuant to Section 242 of the PDA, the Development Officer may enforce this Bylaw, including the issuance of a stop work order for development that contravenes this Bylaw, and may issue an order pursuant to Section 242(4) of the PDA to achieve compliance with this Bylaw.

2) Any person who violates this Bylaw is guilty of an offence and liable on summary conviction to the penalties set forth in the PDA.

3.16 Non Conforming Buildings and Uses

1) The adoption or amendment of this Bylaw does not affect non-conforming buildings and uses.

2) The provisions of the PDA, Sections 88 to 93 inclusive, shall apply to all non conforming buildings and uses.

3) Non conforming buildings or uses may continue to be used, maintained and repaired in their present form.
4  GENERAL REGULATIONS

4.1  One Principal Building Permitted on a Site

1) Not more than one principal building shall be permitted on any one site except for:

   a) recreation facilities
   b) schools
   c) special-care home
   d) public works
   e) dwelling group
   f) public facilities in the Recreation and Park and Urban Holding Districts

4.2  Building Lines

1) Where a front building line in the Main Street Commercial District has been established by existing buildings in a block and is less than the specified front yard requirement, the required front yard is reduced for new construction according to the following principles:

   a) where the new building is to be constructed on a corner site shall not be located further into the required front yard than a legal principal building on the abutting interior site;
   b) where the building is to be constructed on an interior site it shall not be constructed further into the required front yard than the average of the encroachments of principal buildings into the required front yard on the two abutting sites;
   c) where the abutting site is vacant, or the building has more than the required front yard the encroachment into the required front yard shall be considered to be zero; and
   d) existing buildings where legally built are conforming with respect to the established building line.
4.3 Building to Move

1) No building shall be moved within, or into, the Town, without first obtaining a Development Permit from the Development Officer, except as exempt from requiring a Development Permit as specified in Section 3.3.

4.4 Demolition of Buildings

1) No building shall be demolished within the Town without first obtaining a Development Permit. A Development Permit shall be granted where all requirements of the Building Bylaw are met, and where the building is not a designated heritage building which is not to be demolished.

4.5 Accessory Uses and Buildings

1) Accessory uses and buildings shall be subordinate to, and located on the same site at the principal building or use, and used in conjunction with that principal use.

2) An accessory building must not contain a dwelling unit or be used for the purposes of habitation; except for a caretaker’s unit in a Zoning District that permits such use.

3) Private garages, carports and accessory buildings attached to a principal building by a substantial roof structure shall be considered as part of the principal building and subject to the regulations of the principal building.

4) Accessory buildings located in a required rear yard shall not occupy more than 30% of the required rear yard.

5) Detached accessory buildings shall be located at least 1 m (3.3 ft) from the principal building and meet the requirements of the National Fire Code.

6) Sea cans are prohibited for any use in every District, except the Industrial and Highway Commercial Districts. In the Highway Commercial District sea cans shall only be permitted in the rear yard.
7) Time of Construction: Accessory buildings shall not be constructed or placed on any site prior to the construction of the principal building except in the following instance:

a) where a Development Permit has been issued for a principal building, Council may, at its discretion, allow prior development of an accessory building where such building is required for the storage of construction material or equipment. If the principal building is not completed in the time period required, the accessory building is to be removed.

8) Location and Size of Accessory Buildings:

a) the combined floor area of all accessory buildings, including garages shall not exceed 100 m\(^2\) (1076.4 ft\(^2\)).

9) Height of Accessory Buildings: Accessory buildings are not to exceed the height of the principal building, and in no case shall the accessory building exceed the height limits provided for accessory buildings or structures in the Zoning District in which it is located.

4.6 Development on Hazard Lands

1) Where a proposed development of a building is to be located on land considered by Council to be potentially hazardous, the land shall be deemed “hazard lands” and Council shall require the applicant to submit sufficient topographic information to determine if the development will be within:

a) the 1:500 flood event elevation; or
b) 50 m (164 ft) of any slope that may be unstable.

2) Council may require that before a Development Permit be issued on hazard lands, the applicant submit a report prepared by a professional competent to assess the suitability of the site for a development described in Section 4.6(1), and which in the opinion of Council, shows that the proposed site and development is suitable with respect to the following where relevant:

a) the potential for slope instability; and
b) the required mitigation measures for construction in slopes.
3) Council will require that before a permit be issued on hazard lands, in flood risk areas, as identified in Section 4.6(1)(a) be subject to the following:

a) all development, redevelopment or major alterations and additions shall be adequately flood proofed to at least 0.5 m (1.6 ft) above the estimated peak water level (EPWL);
b) the bottom of the joists on the first floor, or the bottom surface of the slab on grade, of the building or structure shall be at least 0.5 m (1.6 ft) above the EPWL;
c) basements are prohibited, except where flood proofing is undertaken. The basement shall be designed to withstand any forces generated by flood water up to and including 0.5 m (1.6 ft) above the EPWL;
d) plumbing outlets may be permitted in basement below the EPWL provided they contain an automatic shut-off valve approved by the Plumbing Inspector;
e) electrical outlets may be permitted in basements below the EPWL provided they contain an independent switch for each outlet. The main switch box, heating plants and air conditioning units shall be located above the EPWL plus freeboard; and
f) foundations and walls of any building or structure shall be adequately flood proofed to at least 0.5 m (1.6 ft) above the EPWL. All plans for development shall be certified by a Professional Engineer or Architect.

4.7 Grading and Leveling of a Site

1) The Development Officer may require, as a condition of approval for a development permit, that an applicant submit a lot grading and drainage plan to the Town for approval.

2) Drainage works shall be constructed at the owner's expense to provide for adequate surface water drainage that does not adversely affect adjacent properties, or the stability of the land.

3) All excavations or filling shall be re-vegetated immediately after construction activities conclude, with a suitable ground cover as may be necessary to prevent erosion.

4) Grading, leveling or placement of fill shall be located entirely within the boundaries of the lot. Any proposed development along the bank of a water body or water course must comply with all requirements of municipal, provincial and federal agencies.

5) Except for construction of an authorized public dock, grading, leveling or excavation shall not break or weaken ice push ridges along the bank of the lake.
6) Fill must be placed so that natural drainages are not blocked or diverted.

7) Fill placed on a site must be compacted sufficiently to ensure that the finished grade level does not sink below the required building elevation and that erosion of fill material into water bodies or water courses does not occur.

### 4.8 Bed and Breakfast Homes

1) Bed and breakfast homes, where allowed in a specific Zoning District shall be subject to the following:

   a) no more than 2 guest bedrooms or lodging shall be provided in each dwelling unit;
   b) the guest bedrooms shall be located within the principal building;
   c) no bed and breakfast home shall occupy more than 25% of the gross building floor area of the principal building;
   d) 1 off-street parking space shall be provided on the site;
   e) bed and breakfast homes are clearly a secondary use and shall not create any conflict with the residential area in terms of emission of noise, dust or odour which would be disruptive to the surrounding residential uses;
   f) bed and breakfast homes shall not result in undue traffic or parking requirements in the residential area; and
   g) bed and breakfast homes shall be licensed pursuant to *The Public Health Act*.

2) The application to operate a bed and breakfast home shall be made to the Development Officer, in the “Form C” as adopted by resolution of Council.

3) A bed and breakfast home that is operated contrary to the terms and conditions of the Development Permit is deemed to be in violation of this Bylaw and is subject to the provisions of Section 3.15.
4.9 **Home Based Business**

1) Home based businesses, where allowed in a specific Zoning District shall be subject to the following:

   a) home based businesses are clearly a secondary use and shall not create any conflict with the residential area in terms of emission of noise, glare, dust or odour which would be disruptive to any surrounding residential uses;
   b) home based businesses shall not result in undue traffic or parking requirements in the residential area;
   c) the operator of the home based business is a resident of the dwelling unit and only one part-time employee, who is not a resident of the dwelling unit, may be employed at any one time;
   d) home based businesses shall not have any exterior display or storage of materials and no exterior variation from the residential character of the building other than permitted signs;
   e) no home based business shall occupy more than a maximum of 25% of the gross building floor area of the principal building except:
      
      i. the area used for retail sales shall not exceed 10% of the building floor area of the building; and
   
   f) home based businesses shall be conducted and contained entirely within the dwelling unit or accessory building not in both.

2) The application to operate a home based business shall be made to the Development Officer, in the “Form C” as adopted by resolution of Council.

3) A home based business that is operated contrary to the terms and conditions of the Development Permit is deemed to be in violation of this Bylaw and is subject to the provisions of Section 3.15.
4.10 Homes

General regulations for community residential, personal care, residential service and special-care homes:

1) All homes must be licensed and approved under Provincial statutes;

2) Any changes resulting in the increase in the area devoted to any home or alterations or additions to the structure used as any home shall require a new development permit in the case of a discretionary use; and

3) All homes must be inspected and approved by a Fire or Building Inspector to ensure compliance with the National Building Code, or equivalencies, and are subject to re-inspection at any reasonable time thereafter.

4) Community Residential Homes, where allowed at Council’s discretion are also subject to the following:
   a) required parking spaces shall not be located in a required front yard;
   b) appropriate measures are provided for the security and safety of clients; and
   c) no building or structure shall be used for the purpose of keeping boarders or lodgers.

5) Personal Care Homes, where allowed are also subject to the following:
   a) the operator of the personal care home shall be a permanent resident of the dwelling;
   b) the operator shall ensure that adequate supervision and care is available at the home at all times;
   c) in approving a personal care home, Council may specify the maximum number of clients that may be cared for in a personal care home but in no case shall the number exceed 10 persons;
   d) the structures shall be suitable and comfortable for the proposed development, and provide for the appropriate level of supervision;
   e) the personal care home shall maintain the single detached residential character of the property consistent with the neighbourhood;
   f) the personal care home shall meet all of the regulations for a single detached dwelling as prescribed for the District in which it is located; and
g) a maximum of two special-care homes will be allowed in a block and may be located on the same side of the street or on opposite sides of the street.

6) **Residential Service Homes**, where allowed are also subject to the following:

   a) required parking spaces shall not be located in a required front yard;
   b) appropriate measures shall provide for the security and safety of clients; and
   c) no building or structure shall be used for the purpose of keeping boarders or lodgers.

7) **Special-Care Homes**, where allowed are also subject to the following:

   a) the special-care home shall maintain the single detached residential character of the property consistent with the neighbourhood;
   b) a special-care care home shall meet all of the regulations for a single detached dwelling as prescribed for the District in which it is located; and
   c) a maximum of two special-care homes will be allowed in a block and may be located on the same side of the street or on opposite sides of the street.

### 4.11 Day Care Centers

1) The use shall comply with all Provincial requirements governing child care facilities including but not limited to *The Child Care Act* and *The Child Care Regulations, 2001*;

2) The length of time that care shall be provided shall not be more than 24 consecutive hours;

3) Outdoor play areas shall be fenced; and

4) Offsite parking shall not be allowed.
4.12 Campgrounds and Tourist Camps

1) The applicant for a Development Permit for a campground or tourist camp shall provide the Development Officer with a plan of the site, identifying any buildings, uses of land and the location of all roadways and recreation vehicle or tent campsites with dimensions. The addition or rearrangement of sites, the construction or moving of buildings, the material change in use of portions of land, or the filling or cleaning of land shall require a Development Permit, and the applicant shall submit, for approval, an amended plan incorporating the proposed development.

2) A campground or tourist camp shall have, within its boundaries, a buffer area abutting the boundary of not less than 4.5 m (14.8 ft) in width, which shall contain no buildings.

3) A site for each recreation vehicle (RV) and campsite permitted in the campground or tourist camp shall be designated and clearly marked on the ground.

4) Each RV site and campsite shall have a minimum area of 150 m\(^2\) (1614.6 ft\(^2\)).

5) No portion of any campsite shall be located within an internal roadway or required buffer area.

6) Each site shall have a direct and convenient access to a developed internal roadway, which shall not be located in any required buffer area.

7) Each recreation vehicle shall be located at least 4.5 m (14 ft) from any other recreation vehicle and each site shall have dimensions, location and orientation sufficient to allow for such location of recreation vehicles.

8) The space provided for roadways within a campground or tourist camp shall be at least 7.5 m (24.6 ft) in width. No portion of any site, other use or structure shall be located in any roadway.

9) A campground or tourist camp may include, as an accessory use, a laundromat or convenience store designed to meet the needs of occupants of the sites and a single unit dwelling for accommodation of the operator.

10) No recreation vehicle shall be stored on any campsite when the campground is not open.
11) *The Public Health Act* and regulations passed thereunder shall be complied with in respect of all operations and development of campgrounds.

### 4.13 Fencing

1) In this section “Height” means the vertical distance of the wall, fence, hedge or shrub measured from the ground level immediately adjacent to the structure or plant to the highest point of the structure or plant.

2) In the Residential and Mobile Home Districts:
   a) the maximum height along any lot line, except a lot line in a required front yard, shall be no greater than 1.83 m (6 ft);
   b) subject to Section 4.12 (2)(c), no wall, fence, hedge or shrub shall be erected in a required front yard to a height of more than 1 m (3.3 ft); and

3) In any Commercial and Industrial District:
   a) the maximum height along any lot line, other than for required screening, shall be no greater than 2.5 m (8.2 ft);
   b) in the case of a corner lot, no wall, fence, hedge or shrub shall be placed as to create a visual obstruction in an established intersection sight triangle; and
   c) where the development abuts a Residential District, the Development Officer may require a fence to be installed. Where noise is a potential nuisance, a Development Officer may specify that the fence be designed to attenuate noise.

4) Electrical or barbed wire fence are prohibited in every District.

5) No height limitations apply to the following:
   a) temporary construction fences; and
   b) fences associated with essential public services and utilities, public parks, playgrounds, public buildings or industrial uses.

6) The application for a Development Permit shall be made to the Development Officer, in the “Form A” which is adopted by resolution of Council.

### 4.14 Landscaping
1) Subject to Section 4.14(7) existing trees shall not be cut or otherwise damaged or destroyed within portions of property to be used for required open space, setback or buffer requirements of the Zoning Bylaw.

2) Trees or vegetation shall not be cleared from any land within 20 m (65.6 ft) of any watercourse, water body, escarpment, or of the crest of a slope greater than 15%, where the removal could have a negative impact on the water body or bank stability.

3) In cases where retention of natural trees would create unusual hardship or development problems in open space, setback, and buffer areas, planted trees may be required.

4) The Development Officer shall determine when such hardship or development problem exists and may designate that certain areas be replanted in lieu of preserving existing trees.

5) Planted trees and other vegetation shall conform to the following:

   a) species must be capable of surviving in the Town;
   b) minimum tree sizes:

      i. deciduous - 50 mm (0.164 ft) caliper diameter
      ii. coniferous - 2 m (6.6 ft) height
      iii. shrubs - 600 mm (1.969 ft) spread or height

6) The permanent vegetation shall be installed on the construction site as soon as utilities are in place and final grades are achieved.

7) Upon direction from the Development Officer property owners may be required to treat or remove trees suffering from transmittable diseases or pests or allow the Town to do so, charging the actual cost thereof to the property owner. The Development Officer may not require the removal of trees except for the reason of disease, infestation, or danger of falling.

8) Nothing in this section shall prevent the application of good practices for protection of dwellings from wildfire in accordance with Fire Smart or other accepted fire protection systems.

9) Within the Recreation and Park District the cutting or removal of live trees may only take place, with the approval of the Development Officer, for the purposes of
constructing authorized public works, authorized hiking trails and other structures or
for the purpose of public safety.

10) In the Commercial and Industrial Districts, the following requirements also apply:

a) all areas of the lot not used for a building, parking or loading are to be landscaped;
b) existing landscaping or natural vegetation should be conserved and will be used to
meet the requirements of this section unless removal is necessary to efficiently
accommodate the proposed development, where practical, vegetation will be
relocated on site; and
c) a landscaping plan is to be submitted along with the application for a Development
Permit showing:

   i. site grading and leveling;
   ii. location of existing and proposed vegetation, including any proposed to
       be removed; and
   iii. location of proposed hard landscaping such as walls, walks, fences, and
       curbs.

4.15 Modular and Mobile Homes

1) Wherever a single detached dwelling is allowed in any District, it may be in the form of
a modular home.

2) All manufactured homes are subject to the following development standards:

a) every modular home shall:

   i. be attached to a permanent foundation;
   ii. include engineered floor trusses, 2” x 6” exterior walls, 8’ ceilings and
       primed and painted drywall;
   iii. ensure that basement wall and grade beam support shall be attached to
       the perimeter of the building; and
   iv. ensure that structural additions to a modular home shall have a
       permanent foundation and shall have exterior siding and skirting
       installed which matches that of the modular home.
b) every mobile home shall:

i. be greater than 92.9 m\(^2\) (1000 ft\(^2\));
ii. either be attached to a permanent foundation or be anchored to the ground and skirted, prior to occupancy;
iii. include 2" x 8" floor joists on a steel frame, 2" x 6" exterior walls, 7 ½' ceilings; and
iv. ensure that pre-finished metal, plastic or other similar pre-finished skirting which matches the mobile home siding shall be vertically installed between the underside of the mobile home and the ground.

3) Subject to Section 4.15(2)(b), mobile homes are permitted in:

a) the Mobile Home District; and
b) any Industrial District and the Urban Holding District, where caretaker’s units are allowed.

4.16 Mobile Home Courts

1) Mobile home courts shall have, within their boundaries, a buffer area abutting the boundary which shall:

a) have a minimum depth of not less than 7.5 m (24.6 ft) in width, which shall contain no buildings or structures; and
b) not contain any roads, except those which connect a public roadway to the road system within the mobile home court.

2) Each mobile home site permitted in a mobile home court shall be designated and clearly marked on the ground.

3) No portion of any mobile home site shall be located within an internal roadway or required buffer area.

4) Each mobile home site shall have direct and convenient access to a developed internal roadway.

5) Each mobile home shall be located at least 4.5 m (14 ft) from any other mobile home and each mobile home site shall have dimensions, location and orientation sufficient to allow for such location of mobile home.
6) The space provided for roadways within a mobile home court shall be at least 7.5 m (24.6 ft) in width. No portion of any mobile home site, other use or structure shall be located in any roadway.

7) A mobile home court may include, any accessory use, a laundromat, convenience stores or single dwelling for the accommodation of the operator designed to meet the needs of occupants of the mobile home court.

8) *The Public Health Act*, and regulations passed thereunder, shall apply to all operations and development of mobile home courts.

4.17 **Portable Garage and Shelter**

1) All portable garages and shelters are subject to Section 4.5 and conform to the following regulations:

a) the shape and size of the lot is adequate to accommodate the proposed portable garage and shelter;

b) the portable garage and shelter is not located in the front or side yards;

c) the approval of the proposal will not negatively impact surrounding uses;

d) portable garages and shelters are adequately anchored; and

e) the portable garage and shelter is not to be electrically wired or heated.

2) Portable garages and shelters are prohibited in the Community Service, Recreation and Park, and the Main Street Commercial Districts. Table 1 applies to all other Districts.

4.18 Public Utilities, Public Works and Facilities of the Municipality

1) Public works and municipal facilities, except solid and liquid waste disposal sites, shall be permitted uses in every Zoning District, and unless otherwise specified by this Bylaw, no minimum site or yard requirements shall apply.

4.19 Service Station and Gas Bars

1) Service stations and gas bars, where allowed in a specific Zoning District, shall be subject to the following development standards:

   a) fuel pumps and accessory equipment including any fuel sales kiosk on a pump island shall be located at least 6 m (19.7 ft) from any street or other property boundary;
   b) all automotive parts, dismantled vehicles and similar articles shall be stored within a building or be screened to the satisfaction of Council;
   c) all business shall be conducted and all goods stored completely within an enclosed building except as required in the servicing of motor vehicles while under the care and control of the vehicle operator;
   d) the Development Officer may specify in the issuing of a Development Permit as a special condition of the Development Permit, the location and design of access to the property and to the fuel pumps and service bays, to avoid conflict with traffic on abutting street and lanes;
   e) the arrangement of the proposed structure on the site shall be designed to reduce conflict with adjoining uses;
   f) where service stations occupy a corner site, only one access point shall be located on the flanking street;
   g) access to parking for fuel dispensing apparatus shall not obstruct access to the lot, or other required off-street parking spaces on the lot;
   h) any specific development standards imposed related to landscaping, screening, open spaces, parking and standing areas for vehicles shall be designed to reduce conflict with adjoining land uses and to ensure adequate areas for vehicles on the property; and
   i) the storage of fuel shall meet all provincial regulations.
4.20  Sight Triangles

1) Sight Triangles will apply in all Zoning Districts except the Main Street Commercial District.

2) Subject to Section 4.20(2), the following uses are prohibited in a sight triangle:
   a) a building, structure or use which would obstruct the vision of drivers of motor vehicles;
   b) a fence or tree, hedge, bush or other vegetation, the top of which exceeds 1.0 m (3.3 ft) in height above the elevation of the centre lines of abutting streets; and
   c) parking areas.

3) The following are allowed in any sight triangle:
   a) government signage and government sign posts;
   b) fire hydrants, benches and traffic control devices; and
   c) utility poles and one utility transmission or control device.

4.21  Vehicle Storage

1) In any Residential District and Mobile Home District:
   a) outdoor storage of partially dismantled or inoperative motor vehicles is prohibited;
   b) no septic haul trucks shall be parked or stored on a site;
   c) only 1 unlicensed motor vehicle may be stored on a site;
   d) no commercial vehicle shall be parked or stored on a site other than the following:
      i. a maximum of one commercial vehicle (not including septic haul trucks), not exceeding 4.4 tonne gross vehicle weight; and
      ii. commercial vehicles required for construction, repair, servicing or maintenance on the site.
e) A maximum of one recreation vehicle may be stored on a site with an existing, permanent dwelling. The recreation vehicle may be occupied subject to:

i. it being for the exclusive use of non-paying guests of the occupant of the principal dwelling located on the same site;
ii. it only being occupied when the principal dwelling is occupied;
iii. the period of occupation not exceeding 30 days; once the 30 day period has expired, a recreational vehicle cannot be occupied again on the site for a period of 7 days; and
iv. if the recreation vehicle has a sink, shower, or water closet, it must have a self contained septic holding tank or be connected to the septic system on the residential site.

4.22 Water Supply and Waste Disposal

1) Every residence and every building containing washroom facilities shall be connected to the municipal sewer and water supply system, where available, at the owner's expense.

4.23 Permitted Yard Encroachments

Subject to Sections 4.23(3) and 4.23(4), the following projections in yards shall be permitted:

1) In all yards:

   a) bay windows, bow window, chimneys, gutters, eaves, window sills, canopies, fire escapes, and similar non-structural alterations may project a distance of 0.6 m (2 ft) from the building, but no closer than 0.5 m (1.6 ft) to the lot line;
   b) light fixtures and lamp posts;
   c) uncovered driveways;
   d) trees, shrubs, trellises or flag poles, provided these fixtures do not extend into or over public land; and
   e) wheel chair ramps.

2) In rear yards:

   a) unenclosed patios, decks, cantilevered balconies, porches and sidewalks not more than 0.4 m (1.3 ft) above grade level, as measured at the outside edge of the structure; and
b) steps 1.6 m (5.2 ft) or less above grade level, as measured at the highest point of the steps, which are necessary for access to a permitted building or for access to a site from the street or lane.

3) No projections shall be permitted within a front yard required for parking where any portion of the said projection would be at an elevation lower than 2.5 m (8.2 ft) above the finished grade elevation measured at the corresponding front wall of the building.

4) No projections shall be any closer than 0.15 m (0.5 ft) to any lot line.

4.24 Signs

1) General Purpose Sign Regulations:

   a) all highway sign corridors within 400 m (1312.3 ft) either side of a provincial highway will be located adjacent to the highway right-of-way and regulated by the requirements of The Erection of Signs Adjacent to Provincial Highway Regulations, 1986 and amendments thereto;
   b) all signs shall be located within the limits of the site on which they are located and shall not project over the lot lines;
   c) signs shall be located a minimum distance of 1 m (3.3 ft) from any lot line;
   d) signs shall not be located in sight triangles in such a manner that they visually obstruct sight triangles or otherwise jeopardize public safety;
   e) signs shall not be erected, attached or maintained upon trees or utility poles, or drawn or painted on rocks or other natural features;
   f) flashing signs are prohibited in all Districts;
   g) all signs shall be kept in a safe, tidy and legible condition;
   h) signs advertising businesses no longer in operation shall be removed;
   i) real estate and construction signs shall be removed once the contract is completed and the property is occupied by the new owner, lessee or tenant;
   j) converted vehicle and trailer signs are prohibited;
   k) advertising signs, including signs affixed to or painted on a vehicle or trailer, shall be located on the same site of the business being advertised, except signs in the highway sign corridor which comply with the rest of Section 4.24;
   l) prior to issuing a permit for a free standing, projecting or roof sign, the Development Officer may require a professional stamp of a certified professional engineer qualified to certify that the sign design satisfies all relevant legislation, codes and bylaws; and
m) Council may direct and order the removal of a sign, which contravenes this Bylaw, or is in an unsafe or dilapidated condition.

2) An application for a Development Permit for a sign shall be made in conformance with Section 3.2 of this Bylaw.

3) Signs not Requiring a Sign Permit:
   a) the following signs are subject to Section 4.24(1) and do not need a sign permit;
      i. government signs;
      ii. memorial signs;
      iii. no trespassing, hunting restriction, and similar signs;
      iv. real estate signs advertising the sale, lease, or rental of the property on which it is located and related information with a maximum sign facial area of 1.5 m² (16.2 ft²);
      v. temporary signs of less than 1 m² (10.8 ft²) of surface area;
      vi. temporary or safety signs bearing no advertising information;
      vii. identification signs containing no advertising information;
      viii. election signs during the period of an election campaign;
      ix. temporary signs located inside a building window, exclusive of any electrified sign greater than 0.5 m² (5.4 ft²) in the area;
      x. signs visible only from the interior of a building;
      xi. construction signs, located on the site of the construction to which they refer;
      xii. signs required to be posted and maintain by any Municipal Bylaw or Federal or Provincial statute or regulations;
      xiii. directional signs having a maximum sign facial area of 1 m² (10.8 ft²); and
      xiv. banner, murals or works of art which contain no advertising.

4) Signs in Residential, Mobile Home and Community Service Districts:
   a) one wall sign is permitted for a dwelling having a maximum sign facial area as follows:
      i. fourplex or townhouse dwellings - 1 m² (10.8 ft²); and
      ii. all other dwellings - 0.5 m² (5.4 ft²).
   b) one additional sign for fourplex and townhouse dwellings may be erected as follows:
i. a free-standing sign having a maximum sign facial area of 2.5 m² (26.9 ft²) in area; or
ii. an awning sign providing a minimum clearance of 2.5 m (8.2 ft) between the bottom of the canopy and sidewalk or ground.

c) free-standing signs shall be located at least 3 m (9.8 ft) from any lot line; and
d) non-residential uses in a Residential District shall be subject to sign regulations for fourplex’s and townhouses dwellings.

5) Signs for Commercial and Industrial Districts:

a) advertising signs in Commercial and Industrial Districts may be illuminated by direct or indirect lighting and the lights may project different colours and may be intermittent;
b) illuminated signs shall have an internal light source or an external light source shielded so that the light is directed at the face of the sign;
c) all signs shall provide a minimum clearance of 2.5 m (8.2 ft) between the bottom of the sign and the street or sidewalk;
d) portable sign regulations, excluding the Main Street Commercial District:

i. except as may be permitted by the Development Officer, a portable sign shall not be located or encroach onto a public roadway, lane, or sidewalk;
ii. a portable sign shall not be located or erected for a period greater than 14 days;
iii. the maximum height shall be 2 m (6.6 ft); and
iv. the maximum sign facial area shall not exceed 1.2 m² (12.9 ft²) for A-Board signs and 3 m² (32.3 ft²) for all other portable signs.

e) portable sign regulations for the Main Street Commercial District:

i. portable signs shall have a maximum height 1 m (3.3 ft);
ii. the maximum sign facial area shall not exceed 1.2 m² (12.9 ft²) for A-Board signs and 3 m² (32.3 ft²) for all other portable signs.

f) free-standing sign regulations:

i. one free-standing sign may be permitted per site, a second free-standing sign may be permitted at the Councils discretion on commercial properties if a minimum 30 m (98.4 ft) separation from any other freestanding sign on the same site is provided;
ii. the maximum height shall not exceed 9.15 m (30 ft);
iii. the maximum sign facial area shall not exceed 14 m$^2$ (150.7 ft$^2$); and
iv. a minimum of 30 m (98.4 ft) separation from any other sign along the same street unless otherwise approved by Council.

g) wall sign regulations:

i. the sign may not exceed 20% of the area of the face of the building to which the sign is attached or 14 m$^2$ (150.7 ft$^2$) whichever is less, unless otherwise approved by Council; and
ii. the sign does not project more than 1 m (3.3 ft) above the roof or marquee.

6) Billboard Signs:

a) billboard signs are prohibited in the Community Service District, Residential Districts, Mobile Home District, Main Street Commercial District, and the Recreation and Park District;
b) the billboard sign facial area and height regulations shall be as follows:

i. maximum single sign facial area - 20 m$^2$ (215.3 ft$^2$);
ii. maximum total sign facial area - 40 m$^2$ (430.6 ft$^2$);
iii. maximum number of faces - 2;
iv. double faced signs shall be constructed so one face is completely behind and parallel to the other face and facing the opposite direction; and
v. maximum height above grade - 6 m (19.7 ft).

c) no billboard shall have flashing or intermittent light. All lighting shall be shielded from direct view from any roadway or site boundary;
d) billboards shall not be located in a required front yard;
e) the billboard will not obscure local business signs;
f) the billboard will be separated by at least 30 m (98.4 ft) from other billboards;
g) the billboard will not seriously detract from the appearance of an entry or key corridors to and through the Town;
h) the billboard will be separated by at least 100 m (328.1 ft) from any residential Districts;
i) Council may place special conditions on the location of the billboard on a site to protect the clear view of an intersection or a highway approach, or other directional and informational signs.
4.25 Off-Street Parking Regulations

1) General Regulations:

a) when any new development occurs or when any existing development is enlarged, or use changed, provision shall be made for off-street vehicular parking spaces, either on-site or by an alternate arrangement with Council;

b) no person within any District shall erect, enlarge, substantially alter, or extend any building permitted under this Bylaw, unless the required off-street parking and loading spaces are provided and maintained in connection with the development; and

c) any conforming or legal non-conforming building or use which is in existence on the effective date of this Bylaw, that is damaged to the extent of 75% or more of its value above the foundation to rebuild that is reconstructed, repaired or re-established, shall provide off-street parking and loading facilities in accordance with this Bylaw.

2) Off-Street Parking:

a) off-street parking shall be provided in accordance with “Table 2 Parking Schedule” and associated regulations. Except where specifically noted, all floor areas represent gross floor areas;

b) required off-street parking spaces in any Commercial or Industrial District may be located on a separate site that is within a convenient walking distance to a maximum of 150 m (492.1 ft) of the principal building or use, provided such are located within a Commercial or Industrial District;

c) in Residential and Mobile Home Districts, off-street parking spaces shall be provided on the site on which the principal use to which the parking pertains is located;

d) no part of any minimum required side yard shall be used for parking, storage or loading of motor vehicles; although access to parking, storage or loading of motor vehicles may cross required side yards, and side yards may be used as fire lanes, provided they meet all other requirements of fire lanes;

e) each parking space shall be a minimum of 2.5 m (8.2 ft) wide. Parallel parking spaces must be a minimum of 6.5 m (21.3 ft) long; all other parking spaces must be a minimum of 6 m (19.7 ft) long;

f) where a building or site contains more than one use, the parking requirements shall be calculated separately for each use and added together to determine the total requirements for the site;
where the calculation of the number of spaces results in a fractional space, the total shall be rounded up to the next whole space; and

where the necessary off-street parking space is provided on a site that is separate from the principal use, an agreement between the Town and the owner of the site on which the parking is to be located shall be recorded in the Town office. The agreement shall bind the owner and his heirs and successors restricting the use of the site for the purpose of off-street parking so long as the main use or building for which the parking is provided exists.

5.2 The Zoning District Map

The maps, bearing the title “Map 1: Town of Creighton - Zoning Districts Key,” “Map 1A: Zoning Districts,” “Map 1B: Zoning Districts,” and “Map 1C: Zoning Districts,” adopted by the Council and signed by the Mayor and Administrator under the seal of the Town of Creighton, shall be declared to be an integral part of this Zoning Bylaw as if embodied therein.
5.3 Boundaries of Zoning Districts

1) The boundaries of the Districts referred to in this Bylaw, together with an explanatory legend, notations and reference to this Bylaw, are shown on the maps entitled, “Map 1: Town of Creighton - Zoning Districts Key,” “Map 1A: Zoning Districts,” “Map 1B: Zoning Districts,” and “Map 1C: Zoning Districts.”

2) Unless otherwise shown, the boundaries of the Zoning Districts are lot lines, centre lines of streets, lanes, road allowances, or such line extended and the boundaries of the municipality.

3) Where a boundary of a District crosses a parcel, the boundaries of the Districts shall be determined by the use of the scale shown on the map.

4) Where the boundary of a District is also a parcel boundary and the parcel boundary moves by the process of subdivision, the District boundary shall move with that parcel boundary, unless the boundary is otherwise located by amendment to the Bylaw.

5.4 Zoning District Schedules

The uses or forms of development allowed within a Zoning District, along with regulations or standards which apply are contained in the Zoning District Schedules in Section 6.
